

Discontinued products

We continuously optimise our product portfolio to ensure highest availability, the possibility to buy replacements, and market-driven solutions. We even offer support for most of our discontinued products. If such products need to be repaired, please contact our Support.

Note: Products with USB1.1 are discontinued and not available. You can find several alternatives with USB2.0. Don't hesitate to contact us for any questions.

KVM EXTENDERS

Item No.	Description	Effective
A1110151	LwLVision(M)-ARU2-PC-RM	10 2025
